DR. PAUL M. MUNRO

Superintendent of schools

IN APPRECIATION

Anytime progress is found in a school system, one also finds a leader with vision who has translated his thought and knowledge into action. Laboring tirelessly and enthusiastically at his task, such a leader has brought continuous administrative, curricular and building expansion to the Lynchburg School System since assuming his position in 1945. Our own E. C. Glass High School was built during his administration.

His wisdom, wit, and easy manner have always been accompanied by understanding, good counsel and drive for perfection. There is not an audience which has not been amused by his humor expressed in unique Georgian dialect; not a teacher who has not benefited from his deep interest.

With deep appreciation and warm affection, we are proud to dedicate our 1961 Annual to Dr. Paul M. Munro, in recognition of sixteen years of outstanding service as Superintendent of Lynchburg City Schools.

Dr. Munro observes a classroom at John Wyatt School.

Dr. Munro signs diplomas for graduating seniors.

OUR INSPIRATION

As the world has always depended on trees, so do its peoples depend upon schools and students. We see them both, schools and trees, as something spreading and permanent; beautiful and protective; rooted in the common soil and towering into free air.

In our tree the faculty is sturdy as a trunk and as stable as the roots. Just as the roots and trunk hold a tree upright and secure, so do the faculty hold our school firm and upright. Our faculty help the students grow and develop into the best product, the fruit of the tree. So . . .

FACULTY

Our seniors pay . . .

Mr. McCue, as our principal, assumes the responsibility of co-ordinating and solidifying all school functions and activities to produce an effective and outstanding educational program, blending in correct proportion the emphasis on athletic, academic, and extra-curricular participation. He accomplishes these tasks with a sound judgment and a devoted spirit that have won him the respect and admiration of both student body and faculty. Not only does Mr. McCue carry out these difficult administrative duties, but he also finds time to give both students and faculty members the benefit of his educational experience with individual counseling and guidance. Our principal's work, however, does not stop here, for he must constantly be a representative for our school, attending numerous P. T. A. and local civic meetings in order to insure the fulfillment of policies conducive to our best interests. Truly, we are fortunate to have Mr. McCue with us and extend to him our sincere appreciation for his years of outstanding service.

MALCOLM MCGREGOR,
President, Student Council.

MR. L. H. McCUE, JR.
Principal

. . . tribute to our Administration.

MISS MARGARET ARMSTRONG
Assistant Principal

Miss Armstrong, our assistant principal, is a great asset to our high school. Through her understanding and guidance, she helps the new students adjust at Glass. Not only does she help the new students, but she also helps the Juniors with their plans for the coming year and directs the College Boards and Scholarship Qualifying Tests for the Seniors. Besides these important duties, she also finds time to help us with our "aches" and "pains" in the infirmary. We feel very fortunate to have Miss Armstrong here at Glass.

ANNE GRAHAM,
Secretary, Senior Class.

MR. J. WINSTON MILAM
Assistant Principal

Our Mr. Milam fills two important roles at Glass, doing each equally well: he is Dean of Boys and an excellent Civics teacher. His patience, wisdom, humor and keen sense of fair play have endeared him to all of us who know him. Each of us will remember him as a personal friend who never is too busy to share our problems and our joys. Our hats are off to Mr. Milam, one of the very finest at Glass.

SARAH BAILEY,
Vice-President, Senior Class.

Although Miss McIvor is new to the job of Dean of Girls, her clear thinking and ability have certainly earned her this position on our faculty. Whether a student's problem is large or small, he is assured of a thoughtful, practical solution when he enters her office for consultation. For these reasons, and many more, Miss McIvor commands the respect of each and every student and is indeed a credit to our high school.

The AMERICAN
STOCKHOLDER

In our tree the Seniors are the fruit. They are the finished product of four years of laboring and culture. To the other students, they are the symbol of perfection; they have reached the goal to which the other students are striving, just as the fruit is the symbol of perfection to a seed.

THE NATIONAL HONOR SOCIETY

The E. C. Glass Chapter of the National Honor Society was founded in 1924. The Lynchburg Chapter, three hundred and fifteenth in the United States, was first in Virginia.

Members of the National Honor Society are chosen from students scholastically in the upper third of their class. On the basis of character, scholarship, leadership, and service, faculty members select not more than fifteen percent of the Senior Class for this honor.

In March, fifty-seven new members pledged to uphold the fine ideals of the National Honor Society by repeating, "I pledge myself to uphold the high purpose of this society to which I have been elected. Striving in every way, by work and deed, to make its ideals the ideals of my school and of my life."

From the word go, in September, the Senior Council started enthusiastically and continued that way throughout the year. It did a fine job in guiding the largest class ever to graduate from Glass, 384 members, through the rough course of Senior Day, Senior Banquet and Dance, the Senior Play and Commencement. The Council's tireless effort will be remembered by everyone, but without the guidance given by Miss Shirley McIvor and Mrs. Evelyn T. Macon, none of these accomplishments would have been possible.

UNDERCLASSES

JUNIORS

A Wonderful Year

The Junior class led by Mike Saunders as president, Sherril Witt as vice-president, Fran Baldwin as secretary, and Claudia Hahn and Nina Knight as treasurers, and sponsored by Miss Canada, has had a very successful year.

In preparation for the Junior-Senior Ring Dance in the spring, the class of '62 launched their first project of the year—a stationery sale. This idea involved the support of the entire class, who canvassed the school for sales. This class project was completely successful but left some of the Junior class completely exhausted.

Many of the Juniors who work on the publications went to SIPA, the publications convention, in Lexington and many others helped on Senior Day to decorate our class float, while still others took part in the Roaring Twenties Talent Show.

Soon after all this came the long anticipated Junior-Senior Ring Dance where we received our rings. With months of secret planning and days of decorating behind us, it proved a memorable finish to an eventful year.

Miss Canada and Mike Saunders make plans for the Jr.-Sr. Ring Dance.

SOPHOMORES

Now with experience . . .

Under the capable guidance of Mrs. Franklin, the Sophomore class has enjoyed a fine and successful year preparing for future leadership at Glass.

Officers for this year were Edmond Perrow, President; Boie Wright, Vice-President; Betty Futrell, Secretary; and Sharon Hudson, Treasurer.

These "wise-fools" began making plans early in the year to raise funds for their Junior-Senior Ring Dance next year. They held several council meetings and began the project by collecting class dues and planning the sale of refreshments at the spring track meets.

Their fine school spirit led them to the clean-up campaign which was encouraged and endorsed by every class member.

The originality of this class was evident in their entry in the Senior Day parade where they did their best to uphold tradition.

Now with experience, the Sophomores participated in more of our activities than ever before and supplied fresh talent in our sports and clubs. Their athletics record for both football and basketball are a fine example.

And now—forward into the next two years at Glass!

FRESHMEN

Our new class,

High School at last! To the Freshmen as they entered Glass for the first time, everything was strange and frightening. But they soon became a part of the crowded halls and the hustle and bustle of high school life.

Their year began with a council meeting consisting of the newly elected homeroom representatives and their sponsor, Mrs. Bradley. At one of these meetings candidates were elected for class officers. After the final ballots were counted, the following officers were elected: Bopeep McKenna, President; Bobby Unrue, Vice-President; Suzie Stump, Secretary; Ken Patterson, Treasurer.

Always participating enthusiastically in whatever activity the school was engaged the Freshman Class added much to its spirit.

In sports, the Freshmen have many up and coming stars. Bobby Unrue excels in J.V. football and basketball. Ellen Kennedy and Ginny Vernon show their school spirit by supporting the athletics on the J.V. cheering squad.

With the closing of this eventful year, this class looks forward to their future years at Glass.

MODEL GENERAL ASSEMBLY
GREG ROBERTSON

In our tree the activities are the leaves. Our activities broaden the interests of the students and provide for a full school life, just as the leaves fill out the skeleton of the tree and provide it with life.

OUR STUDENT GOVERNMENT

Malcolm McGregor, President, Rita Bennett, Vice-President, Linda Kay Hudson, Secretary, Tom Pinkerton, Treasurer, conduct a meeting on Thursday morning.

This year, under the dedicated guidance of Mr. Ramsey, the Senior Student Council carried out its theme of "Triumph Through Integrity." As it does each year the Student Council participated in many activities beyond the walls of our school. They helped in the WLVA Christmas Party, replaced shrubbery on the grounds, set up a $100 college scholarship fund, and encouraged the idea of a foreign exchange student.

The Student Council sponsored numerous hops, sold football programs, contributed funds to the Christmas Pageant, and set up an efficient monitoring system.

More credit than meets the eye is due to the Student Council—our student governing body and the link between the students and the administration.

JUNIOR STUDENT COUNCIL
is the freshman's friend

Committee on exam suggestions, Tom Rhodes, Betsy Norfleet, and Grace Younger, meets with president Mike Dellinger.

The problems which a Freshman must overcome in becoming a real member of E. C. Glass are often numerous. The job of acquainting him with Glass is one of the main projects of the Junior Student Council. This year, among other services to the school, the council offered suggestions for exam study to the ninth grade.

Community service also rates high on the council's agenda, and again this year they have undertaken the "Toys for Tots" campaign and the "Lily Sale" for crippled children.

The group, headed this year by Mike Dellinger, meets in the Teachers' Cafeteria and makes good use of Parliamentary Procedure. The experience which the service, work, and orderly meetings gives the council members, prepares them well for further work in the Senior Student Council.

The only organization in the entire school to which every member of the student body is eligible to become a member is the Honor League.

Early each year the Honor League sponsors a special assembly emphasizing Honor in all its phases. In the homerooms after this Honor Assembly each student is asked to sign the honor pledge, which automatically makes him a member.

An innovation of the 1960-1961 Honor League this year was holding a special assembly with the Student Council. This Assembly was designed to give the Freshman class an idea of the Honor system at E. C. Glass.

Our Chapter, established in 1911, was patterned after that of the University of Virginia and has great prestige among the students and alumni of E. C. Glass.

The Carter Glass Chapter of the Quill and Scroll, advised by Mr. Mihalik and Miss Payne, is a literary organization which has as its membership Juniors and Seniors who have done outstanding work on one of three school publications.

Specifically there are three qualifications a student must meet in order to be eligible for membership in this honorary society. He must be in the upper third of his class; he must have made a significant contribution, literary or business, to his publication; and he must be recommended by his adviser and approved by the National Board.

The chapter's project for this year has been work on a handbook to be given students who enter E. C. Glass for the first time.

What is the CREST? It is the living picture of E. C. Glass designed to capture the highlights of each school year for year-end enjoyment and reminiscences in the following years. More than this, the CREST is a part of Glass, as each student will assert as he recalls the roving photographer who happened into class for casual shots or the rush to be on time for homeroom and activity pictures.

Plans for this year's annual have been underway since early last spring, and new sparkle has been added to its design through the talents of editor, Becky Myers, and the experienced guidance of Miss Cox. Every staff member has given a little of his personality to making the picture of the busy year of '60-'61 a picture to remember.

The popular magazine published tri-annually by the students of Glass is known as *The Critic*. Under the guidance of Miss Payne and Mrs. Blakemore and this year's editor Jane Smith, *The Critic* has once again been enjoyed by all the student body.

The theme of each issue of *The Critic* is related to the season of the year during which it is published. Its contents are a combination of stories, poems, essays, and editorials that represent the best of the writing of the students at E. C. Glass.

That our *Critic* appeals not only to our students but to discriminating adults as well is evidenced in the trophy case.

Last year *The Critic* received a first place award from Columbia and an honor award from S. I. P. A.

Blue Staff of HIGH TIMES works hard

This year the Blue Staff of the *High Times,* awakening from a long summer's slumber, rubbed the sleep from its eyes and found itself reorganized. The Blue Staff issues a jam-packed publication every other Thursday.

Glass students eagerly await the arrival of the *High Times,* but how many realize the "blood, sweat and tears" that go into turning out a single issue?

Results of this hard work can be attributed to the capable Editor Margie Beasley and Co-Editor Rita Bennett, who have learned many new ideas from Mr. Mihalik, the new adviser.

Founded in 1921, the *High Times* has won a place in everyone's heart and even the Alumni enjoy pulling out old copies to relive their exciting school days.

Under the direction of the new adviser, Mr. Mihalik, the staff published its first issue September 29. The *High Times* emerged from the rigors of a reorganization, sporting six new feature-filled pages and two separate staffs.

The paper also included many new and needed columns on sports, editorials, teacher features, personalities, and general world news. There was also this year an increased number of pictures.

The students responded enthusiastically to this new *High Times,* and the number of subscriptions soared.

Congratulations to the White Staff of the *High Times* and to your Editor Martha Ann Crown and Co-Editor Nancy Turner for its grand publication of the news at Glass in a bigger and better *High Times.*

The *Glass Eye* is a four page mimeographed newspaper published bi-monthly by the ninth graders. Under the direction of Miss Allen, Mr. Brown and Mrs. Lloyd, with Mrs. Lloyd substituting for Miss Allen first semester, this new and eager staff learns the basic rules of journalism. The *Glass Eye* contains imaginative articles, poems, cartoons and gossip and contributes to the school spirit. It also serves to acquaint the student body with the new freshmen.

The *Glass Eye* is one of the few high school papers in this area which is written and produced within the walls of the school and those who have previously worked on it have often advanced to bigger things in our school publications. Yes, we are proud of our *Glass Eye* and its industrious Freshmen.

THE LITERARY SOCIETY creates and criticizes

"We must grant the artist his subject, his idea, his donnee: our criticism is applied only to what he makes of it."

—HENRY JAMES.

This statement could easily be the pledge of the Literary Society, an organization whose purpose is to encourage an interest in theory and application of techniques of writing. The club is comprised of students who are avid readers, writers, and conversationalists. It meets once a month to give members an opportunity to criticize each other's compositions. The sponsor for the Literary Society is Miss Mary Spotswood Payne who is ever ready to lend a helping hand to her struggling "artiste."

In addition to its literary pursuits, an annual project of the club is the donation of a current book to the school library.

The officers of the Literary Society make exciting plans for their next meeting.

FORENSIC CLUB, Western District hosts

The Forensic Club is an active part of the academic spirit of E. C. Glass. It is composed of two separate divisions: Debate group, consisting of twelve members, and Public Speaking Club of forty-five members.

The leadership and enthusiasm of Miss Jane Barringer, faculty adviser, inspire her followers. Under her direction weak knees, shaky hands and trembling voices are replaced with confidence, self-assurance and poise.

The National High School Topic, Resolved: That the United Nations should be significantly strengthened, provoked much debate in 1961.

The annual Western District Forensic Meet was held at Glass this year, when students participated in debate, public speaking, spelling and poetry and prose reading.

LIBRARY HELPERS learn by working

Sheila Allen, Mrs. Nixon, and Carolyn Rose prepare for a busy day in the library.

Sh-h-h!

The stilling quiet of the library is shattered only by a chair moving or a hushed whisper as students ask the library assistants for help in finding good books or reference materials. Because they are interested in books and reading, these assistants are willing to serve in the library during their study periods.

Club members assisted in routine library activities, encouraged good reading, and promoted the use of the library by the entire school. Their duties concerned working at the desk, putting books on the shelves, checking permits, fixing displays, filing cards, checking over-due books and fines, and checking out books to students.

Mrs. Dabney, along with Mrs. Nixon, our new librarian, helped the students prosper from their worthwhile hour in the library.

Before a packed house on November 23, the David Garrick Players presented *Seventeen*, the ever popular play concerning the problems of a teenager entering manhood. The presentation, however, was the culmination of several months' hard work by more than one hundred students. But here, let's trace the steps to a successful play.

Long before school began, the club's sponsor and most capable director, Miss Virginia Wiley, with a committee had to select a play that would offer both a variety of roles and a sustaining plot for the audience. Booth Tarkington's *Seventeen* was chosen. Soon after school started, tryouts were held, which brought very gratifying results. Tom Pinkerton, Bill Wooldridge, and Nancy Hammerstrom received the leading roles.

The young thespians practiced laboriously for weeks.

"Seventeen" was then presented on Thanksgiving eve.

By now the play was well on its way. For the next six weeks, the dedicated actors memorized, practiced, and polished their parts. Under the direction of Mr. Fanfani, the stage and light crew built, painted, and illuminated two intricate sets and then practiced their silent, but important roles. The hour finally came on Thanksgiving Eve. The lights dimmed; the curtain parted; *Seventeen* was once more a hit.

Yet this was not all. The club had to enter the One Act Play Festival in Danville on March 4. Because the fall production was excellent, a scene from *Seventeen* was again chosen.

Why do we have a dramatic club? According to Miss Wiley, its purpose is, "to give ambitious students a chance to express themselves on the stage and to learn more about the theater."

THE GLASS PALETTE
produces artists of tomorrow

Each fall, students interested in becoming members of the Glass Palette submit two works of art to be judged by the standing members. From those works submitted, members are chosen on the artistic value of their work. The club, sponsored by Miss Jane White, has between twenty-five and thirty members and usually meets once a month.

Activities of the Glass Palette are educational and interesting. Opportunities such as building floats for the Senior Day Parade offer chances to work together in creative fun. This year's float had a sidewalk cafe theme.

Frequently, the Glass Palette holds its meetings at the homes of members. At such times speakers are the program. For example, Mr. Robert Fuller, member of the Randolph-Macon art faculty, spoke concerning Architecture of American Churches.

The highlight of the year was the "Saturday Painting Party." The members brought materials and worked on subjects of their own choice.

ASSEMBLY COMMITTEE has successful season

R. Ramsey, C. Game and E. White discuss a coming assembly program.

The Assembly Committee is committed to the task of giving the student body a taste of entertainment and education through a varied schedule of programs during the school year. Miss Marie Conson, faculty adviser, along with Charles Game and Edwin White, Assembly Committee Co-Chairmen, organized and supervised excellent assemblies in 1960-61.

Of special note were the living-picture Orientation Program, the impressive Honor League Presentation, the beautiful, traditional Christmas Pageant, the entertaining Talent Assembly, the suspense-filled, exciting National Honor Society Announcements and the climactic Awards Assembly.

Besides serving as a source of entertainment to spectators and an expression for participating students, these assembly programs will afford vivid memories to both groups through the years.

Science enthusiasts have been busy once again this year in the extra-curricular phase of their interest, the Science Club. The Science Club offers an excellent chance to increase scientific knowledge through field trips, films, and demonstrations by members. The club's cooperation with the Lynchburg Society of Scientists and Engineers enables students to further their projects through work with specialized scientists and engineers.

Activities this year have included field trips to Allen Morrison Sign Company, General Electric, and other places of scientific interest in Lynchburg. A forum presented to encourage careers in engineering by the Lynchburg Society of Scientists and Engineers was a highlight of the year, but the most "explosive" event was the near loss of several fingers by an eager student in preparing a demonstration on explosives!

Officers, Beth Kelly, Judy Mundy, David Bowen, and Charles Glenn, prepare a demonstration.

The members of the Future Business Leaders of America, under the leadership of Mrs. Herndon, seek to develop business leadership and character, and try to improve their knowledge and skill of business.

Their theme for the year was "The Well Dressed Business Girl." Their programs this year consisted of speakers on fashions and cosmetics for the business girls, a panel on careers and business opportunities of Lynchburg, and filmstrips on fashions. They also took a field trip to G. E.

The highlights of the year were the long awaited-for-banquet and the annual trip to F. B. L. A. Regional Convention at Longwood College.

The officers for this year were Carolyn Franklyn, President; Arlene Burford, Vice-President; Audrey Saunders, Secretary; Betty Jenkins, Treasurer; Linda Gayle Clements, Reporter; Pat Barber, Historian; and Donna Smith, Parliamentarian.

For the first time in many years the enrollment in Latin is so big that it is necessary that we have a third year class in Cicero and a fourth year class in Vergil. Last year the enrollment was thirty-eight and this year it is fifty-three.

The Latin Club meets every month except January at the homes of members with five people serving as hosts. The club has a system which follows the practice of speakers and programs by the students on different phases of Roman life at alternate meetings.

In November Rev. W. S. Tongue from First Methodist Church showed beautiful slides of Italy and Greece taken on his recent trip to the Holy Land. In February Dr. James S. Constantine, Greek professor at the University of Virginia, showed slides on the voyage of Aeneas from Troy to Italy. About half of the Vergil class had the unusual privilege of attending

On Halloween the members of the Latin Club went to the oracle of Apollo at Cumae where they had their fortunes told in leaves, of course, in Latin. While there they tarried to listen to an account of a football game between the Greeks and the Trojans broadcast from Olympus. Our Christmas meeting was observed by reviving the Roman Saturnalia. Have you ever wondered why Americans go to drive-in movies? Or what the French think of Brigette Bardot? The French Club members learned the answers to these and many other equally intellectual questions from Claude Grevaz, the guest speaker at their February meeting. Claude is a young man from Chamonex, France. According to him, Americans go to drive-ins because they are lazy. The French do not like Brigette Bardot because she cannot act.

As is obvious, the purpose of the French Club is to give its members the opportunity to learn about the culture and customs of France. The meetings are conducted entirely *en francais,* giving the French Club members a chance to practice all the French they have learned in school.

"Bonjour" and "Taisez-vous" are phrases that usually start the meetings of the Junior French Club. These meetings are held nearly every month at the homes of different members of the club and are conducted mostly in French with the help of a dictionary and French teacher, Miss Wilkinson.

The purpose of the Club is to get acquainted with the customs, culture, and language of the land of gay Paris.

This is the first year for the Junior French Club, and since there is only one class of Juniors studying second year French, the Club is not very large—having only eighteen members. This does not stop its members though from playing games—in French, of course—hearing speakers on France, and having lively meetings.

The first meeting of El Club Espanol for 1960-61 was held in October, with Mrs. Knipp as adviser. The members elected officers and Miss Jane White showed slides of her recent trip to Spain.

The November meeting of the Club was highlighted by skits depicting different Spanish characters and fairy tales told in Spanish by Senor Diego Hall, a teacher of Spanish at Appomattox High School.

In December the annual pinata party was held at Ann Vaughn's. At this meeting games were played, villancios sung, Christmas stories told, and a Christmas play given—all in Spanish, of course.

The meetings throughout the remainder of the year had interesting and informative programs, the last meeting being a big swimming and picnic party. Thus ended a year of fun; of studying about the customs and culture of Spanish-speaking people, and of using their language: our part of the general effort to further the "Good Neighbor" policy.

Ann Vaughn serves refreshments at the Christmas Fiesta.

The Junior Spanish Club got off to a fresh start this year with its first meeting at the home of Dawn Cunningham. Officers were elected and songs were sung in Spanish.

The Club meets once a month at the homes of different students. Most of the meetings are conducted in Spanish with the help of Mr. Carson, the Club sponsor. The club's aim is to learn more about countries South of the Border in order to better our relations with them.

These young Spanishites met at Carolyn Jacobson's for their second meeting and Senor Diego Hall told a fairy tale in Spanish.

At Christmas they had a party which was celebrated by the breaking of the pinata and singing of Christmas Carols.

This is the first year for the Junior Club and it has proved to be a tremendous success.

These girls will be THE FUTURE

Any girl taking a homemaking course in high school is eligible to become a member of the Future Homemakers of America, which is a national organization. The membership is voluntary. There are approximately eighty-five members participating in the Seven Hills chapter here at E. C. Glass, of which Mrs. Mayberry and Mrs. Feagans, the two homemaking teachers, are acting advisers for the girls.

Some of the projects these girls have undertaken this year are as follows: They sewed clothes for dolls, which they gave to the Salvation Army at a Christmas party. They are learning about Civil Defense and are helping the city to promote it throughout the home and school. The Red Cross supplied the girls with provisions, which they used to make cookies for the Veteran's Hospital in Roanoke.

No one will be displeased with the cooking of Carol Holmes, Betty Hawkins, and Arlene Burford.

HOMEMAKERS OF AMERICA

Natalie Cohen and Betsy Wilkes display their talent.

Through the club, these girls are getting excellent preparation for their future jobs as Homemakers.

Arlene Burford reigned as queen on the FHA float in the Senior Day parade. Cynthia Wright won the Betty Crocker Homemaking Contest from our school and will go on toward winning a scholarship in the state tournament.

The officers of FHA are as follows: Arlene Burford, president; Betty Williams, vice-president; Betty Jean Hawkins, secretary; Carolyn Gowen, treasurer; Carol Holmes, historian; and Nan Elder, reporter.

The overall goal of this organization is to help individuals improve personal, family, and community living, now and in the future.

D. E. CLUB goes to State Convention

The Distributive Education Club at E. C. Glass is under the sponsorship of Miss Anice Howell. The meetings held in both Distributive Education classes with a separate set of officers presiding in each class, are conducted on the second Tuesday of each month. At these meetings businessmen from the retailing field speak.

Among D.E. activities this year were contributions to the WLVA Christmas Party and a float in the Senior Day Parade. On November 17, all members went to a district meeting in South Boston. Certain members went to Roanoke to compete in contests on February 27, and State Contests on March 3. Delegates will attend a State Convention in Richmond, June 12, 13, 14. The chief social function was the Employer-Employee Banquet in May.

Going through their second year at Glass the Diversified Occupations class extended their interests beyond the classrooms of our school. Guided by the experienced advice of Mr. Gills, their coordinator, the twelve D. O. members worked at numerous jobs including nursing, printing and floral design. This on the job training and classroom instruction give information and opportunity to become good citizens, to understand employer and employee relations and to assume responsibility in life.

For the boy or girl who finds it impossible to attend college, the D. O. serves as a means of receiving on the job training in a field of his choice and this, in most instances, will prepare him to a point where he is employable.

THE Y-TEENS stress friendship and leadership

"To grow as a person, to grow in friendship with people of all races, religions, and nationalities and to grow in the knowledge and love of God" are the Senior Y-Teens' goals.

Under the leadership of Y-Teen Director Mrs. Lawrence Allen, and advisers Carol Cohill of Lynchburg College and Suzanne Van Kestner of Randolph-Macon, the club was quite successful.

The year's highlights were special programs, boy-girl panels, a Thanksgiving project, donating a basket to WLVA's Christmas Party, a Nativity Tableau, their Christmas and Spring Formals, and earning their pins.

Over fifty Y-Teens participated in the Senior Day Parade, Seniors and officers on a float, and underclassmen in cars. Mrs. Allen honored Seniors with a picnic climaxing a wonderful year.

The officers of the Y-Teens discuss their different projects for the year.

THE GLASSITES TRI-HI-Y helps the needy

Back Row: J. Ragland, J. Burch. First Row: P. Trent, L. House.

The Glassites Tri-Hi-Y consists of only senior girls. The Tri-Hi-Y creed is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character" and "clean speech, clean sportsmanship, clean scholarship, and clean living" is the platform.

The Tri-Hi-Y girls have had many projects. They have sold books of poetry to buy a television set for Lynchburg General Hospital. They helped sell Christmas trees and sold thin mints for World Service. They went as a group to entertain the children at the Lynchburg Training School.

Members have also heard several speakers and panel discussions and have collected food for a needy family, and for a country pastor's family.

In April delegates were sent to the Model General Assembly in Richmond, and each summer the club is represented at Blue Ridge, North Carolina, where the club leaders are trained.

Since the Blue Ridge Tri-Hi-Y received its charter in the early part of the 1960-61 school year, the twenty-four junior girls comprising the club have tried earnestly "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

At Christmas time these girls participated in the Annual Christmas Tree Sale for furthering World Service and gave gifts to and sang songs for the elderly men and women at the Lynchburg Health and Welfare Center. They also heard the Reverend Marshall Mauney speak on "Does God answer prayer?"

Being affiliated with the local Y. M. C. A., the Blue Ridge Tri-Hi-Y has access to such facilities as the swimming pool and the gym. Some of the girls take part on the swimming team sponsored by the Y.

This fall a large group of junior girls at E. C. Glass got together in order to form a Tri-Hi-Y. Since the club, if formed, would exceed the membership in other Tri-Hi-Y clubs the groups divided into two smaller clubs, the Greenbriar and Blue Ridge Tri-Hi-Y Clubs.

The two clubs have worked side by side in many projects for World Service. However, each club has done much on its own in service to the community.

The Greenbriar Tri-Hi-Y has served at many Y suppers, has given a party for Lynchburg Training School children, has sold Christmas Trees (along with other Hi-Y's and Tri-Hi-Y's) for World Service money, and has had a bottle drive also for World Service money.

The clubs jointly inducted their officers, accepted their charters, and had debates concerning Co-ed and Women's Colleges.

Each Tri-Hi-Y member is a respected girl at E. C. Glass for she carries out the purpose of one of the most respected clubs for young girls in Lynchburg: "To create, maintain and extend throughout the home, school, and community, high standards of Christian Character."

THE SEVEN HILLS TRI-HI-Y plays Santa

"To create, maintain and extend throughout the home, school, and community, high standards of Christian Character." This is the purpose of the Tri-Hi-Y as the girls carry on various projects and activities during the year. Among these activities are frequent visits to Lynchburg Training School, presenting guest speakers at meetings, playing Santa Claus to a family stricken with muscular dystrophy, chartering buses to out-of-town athletic events, sponsoring dances and making corsages for the Old Folk's Home at Easter.

Participation in a "Man of the Year Award for Outstanding Service to Youth," the Hi-Y, Tri-Hi-Y Conference in Bedford, Model General Assembly, and the annual Christmas Tree Sale were also outstanding as part of the Tri-Hi-Y activities.

THE RAVENWOOD TRI-HI-Y
lives by their creed

Back Row: B. Bing, P. Hughes. Second Row: B. Wright, J. McKenna. First Row: P. Mason, B. Johnson.

At the beginning of the year, 1960-'61, so many girls were interested in the Tri-Hi-Y that two clubs had to be formed, consisting of freshman and sophomore girls. Ravenwood was one of them.

These girls combine fun and seriousness into a Christian organization. They live by the Tri-Hi-Y creed—"To create, maintain, and extend throughout the home, school, and community high standards of Christian Character."

The Tri-Hi-Y went to the Lynchburg Training School Christmas and helped wrap Christmas presents. They sold Christmas trees to raise money for "World Service." They had a dance at St. John's with the Lancers as a money raising project. They have heard several speakers such as Dr. Craven, and Mr. Royston Jester.

Other activities include joint meetings with other Tri-Hi-Y and Hi-Y clubs and actual participation in the Model General Assembly. Each year delegates are sent from the club to the summer training camp at Blue Ridge, North Carolina.

During this age of violence and threat of world annihilation, teenagers need advice and guidance in Christian training to help them down the road of life. Boys of high school age, therefore, turn to the Hi-Y. The Hi-Y is a part of the Y. M. C. A.'s teenage program to, "create, maintain, and extend throughout the home, school, and community high standards of Christian character."

Because of active participation by the boys and because of its rapid growth, the original Hilltoppers, organized in 1956, has been expanded to three other Hi-Ys: the Dixie, the Cavaliers, and the Driskill. The Dixie and Hilltoppers are composed of Sophomores, Juniors, and Seniors; Sophomores and Juniors constitute the Cavaliers; the Driskill takes in the eighth and ninth graders. Although each Hi-Y is a different or-

ganization, they all have similar programs. So come on; let's go to a typical meeting.

On Monday or Tuesday evening the Hi-Ys meet separately in the Y. M. C. A. center. After the group convenes, a religious service is offered by the chaplain. Then the main program is presented. At least once a month, a guest speaker, usually a local minister, talks on one aspect of Christian living in a teenager's life. Other nights the Hi-Ys, under the direction of Jim Raines, youth secretary, discuss plans and civic activities or participate in team sports in the gym. Here they not only exercise, but learn the value of sportsmanship and leadership. Occasionally when vital issues arise, a joint meeting with the Tri-Hi-Y is held.

Thus far we have learned the purpose of the Hi-Y and have been introduced to a typical meeting. But what part do its members play? The civic, charitable, and educational activities of this organization are numerous.

In conjunction with the Tri-Hi-Y, the four groups kicked off the Yuletide Season with a Christmas tree sale. An international mission called World Service receives the proceeds. In building new Hi-Y centers in undeveloped nations with the money, it hopes to create world fellowship and, therefore, peace. Also during the Holiday Season, the less fortunate boys of the city were invited to a Christmas party where they received gifts.

Character — motto of Hi-Y.

Back Row: D. Saunders, D. Lee. First Row: P. Lampman, D. Crafton.

In the Spring the Hi-Y Citizen of the Year was chosen. Each Hi-Y and Tri-Hi-Y nominated a civic leader who had given outstanding service to the youth in our community. This year recognition was given to Mr. Beeche Kestner. To the Model General Assembly in Richmond this year, representatives were sent to learn and understand more about the foundation of our state government, because the teenagers of today are the leaders of tomorrow.

It is the belief of the Hi-Y that to have well rounded youth, it must have a well rounded program. With this in mind, its members made the annual Easter trip to New York. The trip not only gave the boys a chance to have a good time, but to appreciate the value of self-responsibility.

With a Father and Son Banquet followed by the election of next year's officers, the Hi-Y ended its busy season.

Thus you have read about a wonderful Christian organization—its purpose, its meetings, its activities.

THE CHOIR sings

The Choir, under the superb direction of Mr. Frank Elliott, gave its first program for American Education Week Assembly. Among the inspiring songs that were sung were "Go Not Far From Me, O God" by Zingarelli, "A Thought Like Music" by Brahms, "You'll Never Walk Alone" by Rodgers and Hammerstein, and a Negro Spiritual "Climbin' Up the Mountain" by Cain. And what student could forget the excellent presentation of all the verses of our "Alma Mater" done by the Choir!

As it has for many years, the Choir combined with two senior English Classes to give the Christmas Pageant. For this the Choir sang Christmas Carols that were appropriate to the story of the Birth of Christ from the Gospel of Luke.

The All-West State Chorus was held at William Byrd High School, Vinton, Virginia on February 17, 18, 19. Those chosen to represent our school were Billy Peters, Bob Ross, Connie Hughes, Carole Anthony, John Trevey and Jim Tankersley. Any one of these fortunate young people can tell you it was a truly rewarding experience.

In March, the Choir traveled to Martinsville where they participated in the annual District VI Vocal Festival and received an excellent rating with songs "Alleluia" by Thompson and selection from "Porgy and Bess."

The Spring Concert was presented on April 28 by the Choir in conjunction with the Band and Chorus. Among the songs given were "Come Close the Curtains of Your Eyes" by Hokanson.

All seniors will remember the inspirational music given at Graduation.

Under the skillful direction of Mr. Elliot the Girls' Chorus has enjoyed a most successful season. The Chorus, consisting of fifty-two Sophomore and Freshmen girls this year, has learned to train its voices for future participation in the musical opportunities offered at Glass. Mr. Elliot feels that this new and combined class has been a great success.

This year the Chorus gave a fine performance in the annual religious Christmas pageant of the school accompanying the Choir in many traditional carols of the season, and they participated in the Spring Concert which is presented annually by the entire music department in which they sang four selections. Outstanding among these were "Magical Moon" and "The Gardin." They also sang several songs with the Choir.

The E. C. Glass Band, directed by Mr. Cloyd Vermilion, heads the department of instrumental music. The Concert Band is composed of forty-four members. These people are selected, according to their ability, from a competitive group.

Band practice begins in the summer so that our band may practice to produce the snap and precision for which it is so famous.

During the football season, the band was a familiar sight at the games, pep rallies, and parades. At the Shrine Game, the Band served as official band, and also was selected to perform for the television audience. In March, the band will participate in the State District Music Festival. They also plan to have a public concert in April.

THE TWIRLING CORPS steps high this year

Early in the summer the Twirling Corps began preparations for their numerous activities planned for the fall. They created a variety of new routines including one calling for pom poms and top hats. These routines, which were exhibited at the football games, were part of the highlights of the half time performances.

Headed by Phyllis Wood with the help of Deanna Farmer, the girls were always striving for perfection while performing with the band. The girls have worked hard for the good reputation, which they have gained.

The Corps participated in pep rallies, assemblies, parades, band trips, and appeared on television in Roanoke.

These fifteen high stepping girls, organized by Mr. Vermilion, set high standards for future members.

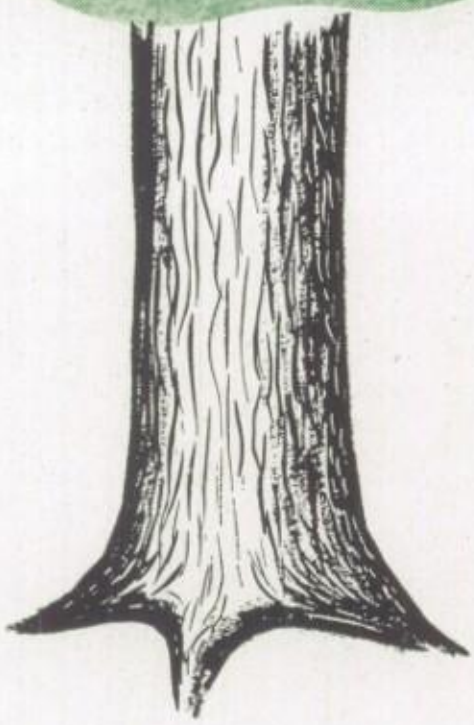
Students work in Cafeteria

"Never a dull moment when you're working back here!" exclaim some cafeteria helpers.

While most of the students at Glass enjoy their recess, many other students are working behind the scenes; cleaning the trays, washing glasses, taking money, making change, and accurately totaling the costs of our meals; later counting the money and taking it to the bank.

The faculty who supervise the cafeterias must not be left out. They are Mrs. Shore who is head of the whole cafeteria, and Mrs. Dalton, Mrs. Tolley, and Mrs. Stanford her assistants. Mr. Beckner is the general supervisor and Mr. Burmahln is in charge of the money. Miss Howell, and Mr. Racer are in charge of cafeterias one and two, while Mr. Ramsey does an exceptionally good job in handling the dishwashers.



In our tree sports add color to the leaves. As the leaves turn different colors throughout the year so do the variety of sports change. Yet just as the tree is outstanding and proudest when the leaves are bursting with color, so is our school. Spirit and pride are at their greatest when the sports program is at its peak.

This year the flag of pride should be raised from the very top of our school. Not only did our football team have another winning season, but the players themselves illustrated the determination which a successful team must possess. Although the won-lost record is a shade below our usual, this record is put in the shadows by our fine exhibition of sportsmanship.

The Varsity Hilltoppers of 1960, coached by Vince Bradford, Bob Sherrill, Jimmie Bryan, and Wally Gilbert, overcame many handicaps in compiling its 5-4-1 record. To provide a more interesting season such teams as Norview, Hampton, and Staunton Military Academy were added.

Our opening game found New Hanover High School of Wilmington, N. C., taking on the Hilltoppers. A host of Glass backs proved their downfall by winning the game 33-13. Our next game with William Fleming produced another Glass vic-

At the annual Shrine game the crushing Hilltoppers won again 26-6 over George Washington of Danville. After losing to Jefferson, Glass traveled to Princess Anne via Piedmont Airlines where they were dealt a 19-7 defeat. Following a defeat at the hands of Hampton, the Hilltoppers showed their power once more by defeating Andrew Lewis 19-0. The tenth and final game of the year found Glass losing 19-0 to a tough Augusta Military Academy.

This season did not prove totally unrewarding for the players. To the contrary, Richard Phillips, Co-captain Don Gallier, and Arthur Brown landed berths on the Western District Team. In addition Sherrill Witt was successful in obtaining a second team place on the same squad.

The annual football banquet provided a fitting climax for the 1960 campaign. At this time Sherrill Witt and Bobby Brickhouse were announced as next year's captains.

Leaving an impressive record of six wins and one loss, the Junior Varsity Football Team of E. C. Glass captured the Western District Championship for 1960. Guided by coaches John Noechel and Tom O'Brian, the team marched to victory with Captain Bokey Wright. High scorer was Tom Lampman with 93 points.

The J. V. team started an explosive season by beating Danville 32-0 and by whipping Cave Springs 46-0. They lost, however, to Amherst Varsity in a cliff hanger—the score, 7-6. Recovered, the J. V.'s crushed the Roanoke teams with a 21-14 win over William Fleming and a 34-0 victory over Jefferson. Salem also fell by the wayside in a 20-6 defeat. Ending the season with a spectacular score of 47-0 against Staunton Military Academy, the Junior Varsity racked up 206 points to their opponents' 27.

Again we congratulate the coaches and the team for their tireless work.

FRESHMEN welcome Coach Hoffman

Spirit! You bet the E. C. Glass Freshman Football Team of 1960 had spirit—and determination too. Under the supervision of coaches Bob Wood and Ronald Hoffman and the leadership of three co-captains, Buddy Callahan, Donnie Lee, and Doug Hough, the team fought with the winning quality, sportsmanship in a three win, three loss season.

The Baby Hilltoppers unfortunately got off to a bad start by losing the first game to Hargrave 12-0. Yet they returned to win over Brookville by the tight score of 14-13. Fork Union again upset the cart to beat us 6-0. The eleven, however, recovered whipping William Fleming 28-0 though only to bow to Jefferson 19-0. In the final game of the season, the Freshmen rallied over V. E. S. with a 14-13 score.

Thank you coaches, team, and managers for your determination and sportsmanship in representing E. C. Glass this year.

The 1961 State Group I Basketball Runner Ups

Molding a team of inexperienced youngsters into a winning team is one hard job. However, this is exactly what Coach Jimmie Bryan did, and boy! did we go places! One factor that did go for Coach Bryan was the fact that he had that one, good, tall man who would act as a steadying influence on the team. This job was given to captain Martin Morris and this he did most expertly. Just how successful the team was is illustrated in the won-lost column where they won twenty-four and lost one.

Although the starting five remained doubtful until midway in the season, Coach Bryan relied mainly on Morris, three juniors, Don Ragland, Jimmie Phelps, and Billy DuPriest, and one sophomore, Kenny Pugh. Certainly no team is stronger than its weakest reserve.

Back Row: Luck Sackett, Jan Linn, Ray Gowin, Jimmy Cash, Tom Lampman. Second Row: Bobby Brickhouse, Jimmy Phelps, Kenny Pugh, Don Ragland, Lonnie Taylor, Billy DuPriest. First Row: Tom Whitten, Mike Crabill, Martin Morris, Buck Wilkins, Don Gallier.

Jimmie Phelps and Don Ragland control the backboards.

And so were the Hilltoppers endowed with capable substitutes in Buck Wilkins, Mike Crabill, Don Gallier, Bobby Brickhouse, and Tommy Whitten.

With only a probable starting five the 1961 Varsity basketball team began its season with Clifton Forge. From this victory, 49-12, to our last, a 36-21 win over Jefferson, the Hilltoppers remained undefeated. In addition to being the undisputed champion of the Western District, the Hilltoppers also won a trip to the State Championship Tournament in Charlottesville.

Before leaving on this coveted trip to the State Tournament, the Hilltoppers traveled to Salem where they competed in the Western District Tournament. Here the Glassmen ran their undefeated streak to twenty-one by winning the tournament. In doing so they recorded lopsided scores over Andrew Lewis, 57-36, and Jefferson Senior, 57-22.

The following weekend was the finale of State Group I basketball. The champions from every district went to Charlottesville to show their wares. Glass too went and in the first game tamed hot John Marshall of Richmond, 56-31. This win allowed the Hilltoppers to compete in the semi-finals against Woodrow Wilson. After a long, hard fought game, the Hilltoppers once again emerged victorious, 39-27. Then came the final game of the year. The State Championship game against also unbeaten Wakefield of Arlington. The Hilltoppers never seemed to get started after Morris had committed three fouls in

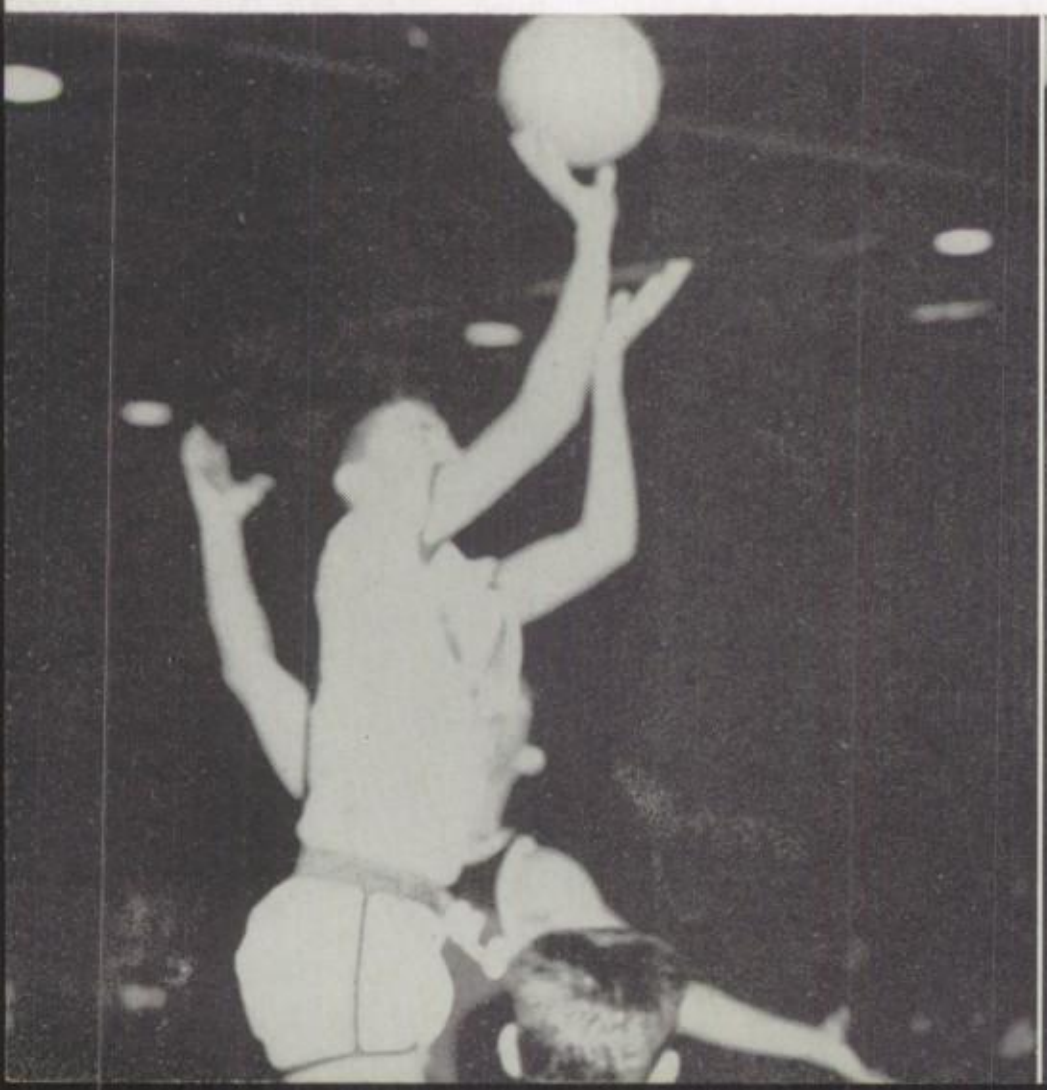
the first three minutes of play. Having been defeated by Wakefield, 58-36, we felt that we had truly been beaten by the State Champs.

As is fitting for a winning team, the Hilltoppers were the guests at the annual basketball banquet given in their honor. At this time the captains of next year were named and they are: Billy DuPriest, Jimmie Phelps, and Don Ragland. In addition to receiving the most valuable player award and the best all around player award at the banquet, Martin Morris was named to the All-State and Western District Group I teams. Jimmie Phelps was also named to the Western District team and Kenny Pugh, an up and rising sophomore, was placed on the Western District Tournament team.

The 1961 Varsity basketball team not only brought victory to Glass, but honor and respect as well. This team is comparable to the 1948 team that won twenty-two in a row.

Don Ragland takes a jump shot.



Morris hauls down a rebound.

Champions! And we're proud of them. The E. C. Glass J.V. Basketball team has again captured the Western District cup for the fourth year in a row. Coached by John Noechel, the determined squad had ten victories and only three losses. Credit for leadership goes to the co-captains, Ronnie Turner and Edmund Perrow. And we can't leave out the managers, Wilkie Wiegand and Cabell Dudley who served the J.V.'s with their best.

Out of five hundred and fifty-seven points compiled during the season, Ronnie Turner earned one hundred and thirty-five.

A record score for the year opened the season as the J.V.'s dumped Halifax 51-33. However, the real satisfaction of being champs came on January 20. Both Jefferson and William Fleming had fallen by the wayside.

Again we congratulate the team and wish them continued success next year.

Captain, Danny Kurtz Coach Bailey

". . . And baby makes three." This line from a popular song perfectly fits our "baby" basketball squad. The Freshman Basketball Team, like the Varsity and J. V.'s came out on top again. Robert Bailey coached his boys through a perfect season of ten victories. Captain Danny Kurtz also deserves much credit. Of course, the managers did their share in keeping the equipment in working condition. Averaging 7.5 points per game was the high scorer, Jim McLaughlin followed by Danny Kurtz with 7.1.

It is surprising that a Freshman team like ours would do as well as its record shows, especially when all the opposing teams, with the exception of V. E. S., were Junior Varsity squads. Adding to this accomplishment, is the score of its last game against Nelson County—51-33. Therefore, it is easy to see why we are proud of the Freshman team.

THE TRACKMEN flex their muscles

With the coming of spring, track season once again captures the eyes of the students at E. C. Glass. The 1961 track team with Tom Pinkerton and "Fireball" Johnson as captains appears to be off and running by winning its first three meets by lopsided scores.

There are several additions to the Hilltoppers' track slate which looks to be very tough. These are the Danville Relays and a meet with Thomas Jefferson of Richmond. The Danville Relays, which is actually a preliminary district meet, has every team in the Western District entered with the exception of Jefferson Senior.

A few of the track stars and their specialty are as follows: Shaun McConnon, 100 yard dash; Arthur Brown, hurdles; Malcolm McGregor, broad jump; Richard Taylor, 440 yard dash; Johnson, 880; Pinkerton, pole vault; "Moose" Schmidt, shot put; and Ed Perrow, discus.

THE TENNIS TEAM

Hampered by bad weather, Coach Bailey's tennis team got off to a slow start, losing three of its first four matches. However, they did beat Jefferson Senior by a score of 6 to 3. This year, the team lacked experience with only four lettermen returning from last year's squad. The number one man on the team is Mike Crabill. He is backed by Clunet Pettyjohn, Harvey Henderson, Sherwood Newton, Sandy Carrington and Gerald Coffey. The 7th and 8th men, Bobby Heald and Cabell Dudley, see frequent action in the doubles matches. The doubles teams consist of Crabill and Henderson; Pettyjohn and Carrington; and Newton and Coffey.

The 1961 Varsity baseball team, coached by John Noechel, has its work cut out for them. Although an ample supply of young talent can be found on the squad, the road to victory will be difficult.

The look-alikes, Charles and Boyce Reid, head the team as its co-captains. Along with their steady influence on the team such veterans as John Evans and "Woody" Morris will carry a big load. In addition to these mainstays eight sophomores, Tom Lampman, "Luck" Sackett, Bokey Wright, Ray Gowin, Kenny Crawford, Ronny Turner, Bobby Wooldridge, and Jimmy Foster, have come of age and are being looked to for great things.

The students at E. C. Glass feel confident that these boys, under the capable guidance of Coach Noechel, will mold into a team that will be worthy of our support.

"G" CLUB Busy at Games

"Have you heard who the Varsity Club Sweetheart is?" This spring you have probably heard many questions similar to this one. The Varsity Sweetheart, Ranny Brown, is only one of many projects of the "G" Club this year. The group has opened the check room and roped off a place for the holders of season tickets to the basketball game. Each year it has been the custom of the club to give to the school a memento.

The main purpose, however, of this organization is to create respect for the varsity letter. The club builds the moral of the boys and gives them a better attitude toward sportsmanship. If any boy has received a varsity letter, he is eligible to apply for admission.

The Girls' Athletic Association has been busy again this year organizing and coordinating girls' participation in intramural sports. The association not only organizes girls' sports, but holds referees', timers', and scorers' clinics, encourages good sportsmanship, with sportsmanship awards, and presents G.A.A. letters for participation.

Exemplifying the G.A.A.'s broadening interests, the girls this year sponsored the Student-Faculty Basketball Game, held a hockey clinic with girls from Stratford Hall of Danville, and once again sent six girls to G.A.A. summer camp at Virginia Beach.

The G.A.A.'s purpose is to give more girls a chance to participate in sports, and well it has achieved its purpose, for hardly an afternoon during the year passed when shouts of enthusiastic players did not come from the girls' gym.

VARSITY CHEERLEADERS heighten prestige of Glass

The happy victory cheer following the announcement of the varsity cheerleaders was the beginning of a year filled with fun and work for these twelve lucky girls. Practice began in August, and the girls soon found Mrs. Meidling a true friend as well as an adviser. Even though at times she seemed to hold their standards too high, they soon realized that these standards would make them the best cheerleaders in the state.

In addition to cheering the football and basketball teams to victory—or defeat—at home and away, they made pep rallies bigger and better and helped to instill in every Glass student, a strong school spirit.

From giving parties for the Junior Varsity football and basketball teams to trying on new uniforms, the J. V. cheerleaders' activities this year have been varied and busy. Their main order of business, though, has of course been supporting and publicizing the activities of Junior Varsity athletes. Under Miss Henderson's supervision, this peppy group practiced at least twice a week, made up many new cheers, and added their charm to all but two of the J. V. games.

When all the fun is aside, the girls realize what an honor it is to be a cheerleader. Competitively chosen from all the girls in the school for their character, appearance, grades, and pep, they work diligently to maintain Glass' reputation at other schools and live up to their position within the school.

Glass' highstepping majorettes, led by head majorette, Mary Jane Loving, and co-head, Sherry Dodgion, marched and twirled with new sparkle this year in their new blue and white uniforms. Practice last summer and early morning practice during football season helped them to excel.

The girls performed with the band at all home football games and several away games. They twirled at the pep rally preceding the Jefferson game, in the Shrine Assembly, the February Music Assembly, the Spring Concert, and Achievement Night.

Parades played a large part in the majorettes' activities. They marched in the Senior Day and Christmas parades, but the highlight of the year was the Annual Roanoke Shrine Parade at which they not only marched and performed at the football game, but appeared on television. In Roanoke the girls represented Glass proudly, giving their best performance of the year.

Competition and rivalry have been the key words in girls' sports this year, and though the teams fought hard, they played well, maintaining good sportsmanship throughout the year.

The Freshmen engaged enthusiastically in intramural sports on a large scale new to them this year. They played Speed-A-Way for the first time, and after an exciting season, the "Smithfield Hams" won a close victory over the "Real McCoys." The "Real McCoys" returned during basketball season, though, to triumph over the "Glasshoppers" for the Freshman basketball championship.

Sophomore classes had their first experience with hockey, which was formerly restricted to Juniors and Seniors. The "Hockey Jockeys" won the championship in an exciting game with the "Moonshiners," and, as in Freshman play, the defeated team returned

to capture the basketball championship. A close 11-10 game gave this championship to the "Moonshiners" over the "Star Shooters."

Competition between the Junior and Senior teams proved successful for the Seniors. The same Senior team won both the hockey and basketball championships, defeating the same Junior team twice. In hockey it was the "Hockettes" over the "Hockey Toppers." In basketball the teams changed their names, but the victory did not change hands. The Senior team, the "Ashwells," defeated the determined Junior team, the "Fleabites."

OUR
Ever-Present
CHALLENGE

The prosperity and individual freedoms we enjoy today are hard-earned gifts from our forefathers and must never be taken for granted.

Each new generation must stand on its own feet and preserve these freedoms.

The freedoms we enjoy through the American Way have a high price and must be earned over and over.

W. Somerset Maughan expresses it this way: "If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too."
